

## **MISSED INSPECTION AFFIDAVIT**

If you have not scheduled an inspection in a timely manner, there will be a \$50.00 missed inspection fee that must be paid as well as the Missed Inspection Affidavit completed.

For a roof, a missed inspection/lift inspection fee will need to be paid in the amount of \$100 as well as the Missed Inspection Affidavit Completed. Somebody from your company will need to be available on the day the inspection is scheduled. They will need to be on site in order to lift some shingles for the inspector to adequately view the underlayment/nail pattern. Area lifted will be selected by the inspector on site, 2-3 sections can be expected.
